

Baseball Family

As you know we are in the process of replacing Coach Bowyer as the head baseball coach here at Taylor High School. While I'm sure many of you have questions about his departure, I believe our focus should be on thanking Coach Bowyer for his effort while here at Taylor and continuing the recent success that we have had in baseball over the past two seasons and the tradition of excellence that has always been enjoyed.

The position is currently posted and we are taking applications both internally and from outside the district. Our focus will be on finding the best fit for Taylor high school. I have already received some feedback from some of you about the traits you would like to see in a head coach and they are exactly in line with what I believe would be a great fit for our program. We want a person that is not only an excellent coach but also a good man that our young men can look up to and model their own lives after. We want a good communicator that is both honest and available, a promoter of our kids and our program, and someone that will work tirelessly to take an already great program and push it to be the best in the state of Texas.

Please trust that ultimately our goal is to see the Taylor Baseball program, as with all of our athletic programs, be a championship program year in and year out. I hope to be able to announce the next coach to you in early August once we have gone through all of the proper timetables set by our HR department as it relates to interviewing and offering the position. As soon as we are allowed to make it official we will hold a meeting to provide you an opportunity to meet the coach. Thank you for your patience and for your continued support of Taylor baseball and Taylor athletics.

Sincerely,

Trey Herrmann

Taylor High School

Campus Athletic Coordinator/ Head Football Coach
